tsm

Toulouse School of Management is a public School of excellence in Management within Toulouse Capitole University, that combines under a single brand:

→ TSM Education

TSM Education is a School that trains responsible, enterprising and globally-oriented managers.

TSM offers high quality academic and professional education, guaranteeing a rapid professional integration.

→ TSM Research

A research unit to contribute decisively to scientific research in management and to the reflection of managers.

TSM-R is a CNRS laboratory recognized for the quality of its scientific publications and the distinctions of its faculty members.

→ TSM Doctoral Programme

A disciplinary Doctoral School with international standards to prepare doctoral students for their future positions in the academic world or in political institutions, research organisations and private companies.

TSM-DP offers a Doctoral Program that combines the strengths of a research-intensive public School with an international approach to management education.

→ TSM Alumni

A network of more than 23,000 active graduates in France and around the world to meet the needs of companies engaged in a global competition.

TSM builds lasting relationships with its economic and institutional partners.
