

HOW TO GENERATE MY LOGIN AND PASSWORD ?

My login : First login or forgotten login?

For security reasons, your login is not sent to you when you register. To receive your login, simply log on to <https://intranet.ut-capitole.fr>. Once on the authentication page, click on "Identifiant oublié?" then fill in the field "Email ou numéro de mobile" before clicking on "Valider".

The image shows two screenshots of the University of Toulouse Capitole's authentication interface. The left screenshot shows the main authentication page with a red header 'AUTHENTIFICATION' and a question mark icon. Below it are two input fields: 'IDENTIFIANT' with a red link 'Identifiant oublié?' circled in red, and 'MOT DE PASSE' with a red link 'Mot de passe oublié?'. A red 'SE CONNECTER' button is at the bottom. The right screenshot shows the 'Identifiant oublié?' page, which has a dark header with the university logo and the title 'Identifiant oublié?'. The main content area contains the text 'Pour recevoir votre identifiant, veuillez saisir votre adresse email personnelle ou votre numéro de mobile.' followed by an input field for 'Email ou numéro de mobile'. Below the field is an example: 'Exemple : jean.dupont@orange.fr OU 0601020304' and a 'Valider' button. A yellow warning box at the bottom says 'Pour plus d'informations, consultez la page sur les comptes informatiques à UT Capitole.'

The login will be sent to the personal email address or mobile number you have entered.

My password: First log-in, forgotten or unknown password?

For security reasons, your password is not sent to you when you register. To receive your password, simply log on to <https://intranet.ut-capitole.fr>. Once on the authentication page, click on “Mot de passe oublié?” (Forgotten password) Then fill in the “Identifiant” (Login) and “Date de naissance” (Date of birth) fields before clicking on “Valider”.

The image shows two screenshots of the University of Toulouse Capitole login page. The left screenshot shows the main authentication form with the following fields: 'IDENTIFIANT' (with a link 'Identifiant oublié ?'), 'MOT DE PASSE' (with a link 'Mot de passe oublié ?' circled in red), and a 'SE CONNECTER' button. Below the form is a security notice: 'Pour des raisons de sécurité, fermez votre navigateur après vous être connecté aux services protégés !'. The right screenshot shows the 'Mot de passe oublié ?' page with the following fields: 'Identifiant' (with a link 'Identifiant oublié ?'), 'Date de naissance' (with a format 'JJ/MM/AAAA' and a 'Valider' button), and a yellow information box: 'Pour plus d'informations, consultez la page sur les comptes informatiques à UT Capitole.'

The password will be sent to your personal email address or mobile number (provided when you registered online or in person).

NB: If your mobile phone number and personal email address are unknown, you will need to fill in an online form which will be processed by an DSI Support technician.

Check that your login details have been activated

To check that your login details have been activated, **simply carry out a connection test**. If your login details are correct, the authentication service will confirm this with the message "Successful authentication".
