The path ahead

Overview

Do you want to develop your skills in all areas of finance?

The first year of the Master in Finance equips students with a solid conceptual framework necessary for analyzing financial issues. At the end of this year, students are expected to complete an internship lasting 2 to 5 months.

First-year students can gain international experience by completing one or two semesters abroad at one of our partner institutions.

During the first year, students choose to specialize in one of three fields for their second year.

- Corporate Finance,
- Financial Markets and Risk Evaluation,
- Finance and Information Technology.

It also offers the opportunity to obtain a double degree with our partner, HEC Liège.

- Master 2 Corporate Finance - double degree HEC Liège,
- Master 2 Financial Markets and Risk Evaluation - double degree HEC Liège).

Benefits of the programme

- Among the few master of finance in the world EFMD accredited
- 100% taught in English
- Possibility to do an exchange programme with one of our partner institutions
- The only public sector Master in Finance in France included in the Financial Times 2024 ranking. Its 2nd position for the "Value for Money" criterion offers a high return on investment for students.

Programme Objectives

- Financial analysis proficiency: develop skills to analyze financial data and interpret results to inform decision-making.
- Investment strategies: understand various investment vehicles and strategies, including equities, fixed income, derivatives, and alternative investments.
- Corporate Finance knowledge: learn to evaluate corporate financial strategies, including capital structure, budgeting, and valuation.
- Quantitative skills: enhance quantitative and statistical skills for financial modeling and analysis.
- Ethical decision-making: promote ethical standards and practices in finance and investment decision-making.
- Communication skills: develop strong written and verbal communication skills for presenting financial information to stakeholders.
- Technology proficiency: become proficient in financial software and tools commonly used in the finance industry.

Pre-requisites

Prerequisites for all candidates:

- Successful completion of 180 ECTS before registering at TSM
- An English language test for non-English speakers (B2 required)

tsm

Toulouse School of Management is a public school of excellence in Management within Toulouse Capitole University. It has been awarded the EQUIS (European Quality Improvement System) international accreditation by the European Foundation for Management Development (EFMD). EQUIS is renowned as a leading certification for Business and Management schools and this recognition is a testament to our dedication to excellence.

TSM combines under a single brand:

→ **TSM Education**

A school that trains responsible, enterprising managers who are open to the world.

→ **TSM Research**

A research unit that contributes decisively to scientific research in management and to the reflection of managers.

→ **TSM Doctoral Programme**

A disciplinary doctoral school with international standards that prepares doctoral students for their future positions in the academic world or in political institutions, research organisations and private companies.

→ **TSM Alumni**

A network of more than 23,000 active graduates in France and around the world to meet the needs of companies engaged in global competition.
