Overview

Boost your career by specialising in one of the biggest, most popular areas of finance.

With this multifaceted learning experience and up-to-date programme you'll explore the big issues in corporate finance today and its implications within a global context including: investment management, business valuations, IPOs, M&A and investment banking, private equity, sustainable finance, audit, risk management, international economics. Additionally, you can work on new skills, including SAP to Python.

Recent graduates are now working as:

- Private Equity analyst, M&A analyst, transaction services, transfer pricing
- Investment Banking analyst, structured finance, private debt, syndicated loan, credit risk
- ESG analyst, sustainability financial reporting manager
- Investor relations manager
- Financial risk analyst; Non financial risk analyst
- Financial auditor, internal auditor
- FP&A, financial controller
- Wealth manager

Thanks to this programme, students gradually build a professional project in finance in an international context. Students who enrol in this programme spend the first two semesters of the first year of the Master at TSM and the second year of the Master at HEC Liège.

Students who wish to apply for this double degree must do so during the M1 Finance at TSM. However, students who wish to first take a gap year must apply during the gap year.

You have the option to take a gap year before starting the M2 courses.
